Notes	
Headteacher	The headteacher works across two schools and is the strategic leader of the school. The main focus of the role is: strategic direction of the school, finance, policy change, standards, staffing and handling the first stage of the formal complaints procedure.
Deputy Headteacher	The deputy headteacher is a non-class based role. The Deputy Head manages the day to day running of the school and deputises for the Headteacher in their absence.
Phase Leaders	Phase leader's oversee teaching and learning within the phase, manage low level behaviours and liaise with other phase leaders where necessary, to ensure continuity and progression throughout the school.

*Rachel Woakes and Faye Pritchard are both on maternity leave
