

PE and Sport Premium expenditure: St Nicholas C of E Primary Report to Parents: 2015/16 (September '15 to July '16)

Our Vision for PE and Sport

At St. Nicholas Primary we know that P.E. and Sport plays an important role in the development of our children. P.E. and Sport lead to improved fitness, health and well-being, concentration, attitude and academic achievement.

Through P.E and Sport, children can also develop St. Nicholas's values of: responsibility, trust, compassion, peace, humility and wisdom.

We aim to encourage a lifetime love of sport and keeping fit and encourage children to be the best that they can be.

How do we encourage a love of P.E and Sport at St. Nicholas?

We enter into many different sports competitions, galas and tournaments. We aim to enter into a wide range of sports to encourage different children and abilities to be active and keep fit. We take part in, multi skills, rowing, indoor and outdoor athletics competitions, rounders, cricket, netball, football, rugby, tri-golf tournaments and swimming galas.

We have close links with the local tennis, rugby and cricket clubs whose professional coaches come into school to develop these individual skills.

To encourage a love of sport for enjoyment and competition, we strive to provide opportunities throughout the year for children to compete with each other and push themselves with events such as; running the Sport's Relief mile, skipping workshops, sports day and sports week where we concentrate on inter-house competitions.

We also organise a wealth of after school clubs such as; netball, football, basketball, cricket, rounders, dance, gymnastics, athletics, swimming, girls football, tennis and rugby.

What is the Sports Premium?

The Government is providing funding of £150 million per annum for 2014/15 and beyond to improve provision of physical education (P.E.) and sport in primary schools. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sports, and will be allocated to primary school head teachers to spend on improving the quality of sport and P.E. for all their children. The sports funding can only be spent on sport and P.E. provision in schools. Funding will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census.

How is the Sports Premium used at St Nicholas C of E Primary School?

The Sports Premium will be spent in such a way that it has a direct and sustained improvement on sports provision in the school, not only for the current pupils of the school but also for future pupils. Listed in the grid below are the projects that are being funded by the Sports Premium for this academic year.

Record of the PE and Sport Funding spending by item/project 2015/16		
Item/project	Objective	Intended Outcome
3 outdoor Table tennis tables and 2 Basketball nets for the playground	To give the children more opportunities to participate in sports activities during breaks times.	Through having a variety of sporting activities to choose from, they become healthier and fitter and more active at break times.
KS1 trim trail	To give the children more opportunities to participate in physical activities during breaks times.	Through having a variety of sporting activities to choose from, they become healthier and fitter and more active at break times.
Replace old sports equipment	Update the sports equipment so that teachers are fully and appropriately resourced when delivering the national curriculum and extra-curricular activities.	The PE curriculum is being delivered and teachers take full advantage of the resources available to them
Balance ability	To give the children in Reception the equipment and trained staff to improve fitness & gross motor skills.	Children enjoy the balance bikes and use them regularly leading to increased fitness and improved motor skills.
Specialist Sports Coach	To improve the skills of the teaching staff by planning, observing and teaching gymnastics and dance with a sport specialist	Teachers will teach a well-rounded PE curriculum at the appropriate level.
Multi Skills Coach	To allow children opportunity to take part in new sports competitions	Children have opportunity to take part in new sports competitions linked to multi sports
MDS Sports Training	To train the MDS staff to supervise sport and active games during lunchtimes	Children are engaged in physical activity during lunchtime.
Bell Boating	To introduce the children of year 6 to a new sporting experience.	Children of Year 6 are exposed to a new sport allowing the school to have a team to represent us in the local regatta.
