

PE and Sport Premium expenditure: St Nicholas C of E Primary Report to Parents: 2016/17 (September '16 to July '17)

Our Vision for PE and Sport

At St Nicholas C of E Primary we know that P.E. and Sport plays an important role in the development of our children. P.E. and Sport lead to improved fitness, health and well-being, concentration, attitude and academic achievement.

Through P.E and Sport, children can also develop St. Nicholas's values of: responsibility, trust, compassion, peace, humility and wisdom.

We aim to encourage a lifetime love of sport and keeping fit and encourage children to be the best that they can be.

How do we encourage a love of P.E and Sport at St Nicholas?

We enter into many different sports competitions, galas and tournaments. We aim to enter into a wide range of sports to encourage different children and abilities to be active and keep fit. We take part in, multi skills, rowing, indoor and outdoor athletics competitions, rounders, cricket, netball, football, rugby, tri-golf tournaments and swimming galas.

We have close links with the local tennis, rugby and cricket clubs whose professional coaches come into school to develop these individual skills.

To encourage a love of sport for enjoyment and competition, we strive to provide opportunities throughout the year for children to compete with each other and push themselves with events such as; running the Sport's Relief mile, skipping workshops, sports day and sports week where we concentrate on inter-house competitions.

We also organise a wealth of after school clubs such as; netball, football, basketball, cricket, rounders, dance, gymnastics, athletics, swimming, girls football, tennis and rugby.

What is the Sports Premium?

The Government is providing funding of £150 million per annum for 2014/15 and beyond to improve provision of physical education (P.E.) and sport in primary schools. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sports, and will be allocated to primary school head teachers to spend on improving the quality of sport and P.E. for all their children. The sports funding can only be spent on sport and P.E. provision in schools. Funding will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census.

How is the Sports Premium used at St Nicholas C of E Primary School?

The Sports Premium will be spent in such a way that it has a direct and sustained improvement on sports provision in the school, not only for the current pupils of the school but also for future pupils. Listed in the grid below are the projects that are being funded by the Sports Premium for this academic year.

Record of the PE and Sport Funding spending by item/project 2016/17		
Amount of Sport Premium Received: £9705		
Below is a breakdown of how this money is being spent:		
Item/project	Objective	Intended Outcome
KS1 trim trail	To give the children more opportunities to participate in physical activities during break times.	Through having a variety of sporting activities to choose from, they become healthier and fitter and more active at break times.
Real Gym Training	Subject Leader training to further enhance the sports curriculum in order to further develop and sustain high quality PE teaching in the future.	The PE leader will receive training to trial a new sports curriculum prior to whole staff training in the next academic year.
Specialist Sports Coach	To improve the skills of the teaching staff by planning, observing and teaching gymnastics and dance with a sport specialist	Teachers will teach a well-rounded PE curriculum at the appropriate level.
Replace old sports equipment	Update the sports equipment so that teachers are fully and appropriately resourced when delivering the national curriculum and extra-curricular activities.	The PE curriculum is being delivered and teachers take full advantage of the resources available to them
Lunchtime Sport Support	To give children the opportunity to take part in sport during lunchtime.	Children supported in taking part in sport during lunchtimes.
Midday Supervisor Training	To train the MDS staff to supervise sport and active games during lunchtimes	Children are engaged in physical activity during lunchtime.
Bell Boating	To introduce the children of year 6 to a new sporting experience.	Children of Year 6 are exposed to a new sport allowing the school to have a team to represent us in the local regatta.

What the children say:

"I like the trim trail because it makes you strong."

"We use [the trim trail] to get fit!"

"[The trim trail] is fun to play on."

"[PE lessons] are amazing as it gets you active."

"In PE, we've learnt dance and all the different shapes you can make with your body."

"During PE lessons, the exercise makes your heart beat faster so your blood is pumped quicker, helping you to be more active."

"I enjoy doing it [Lunchtime Club] because it is a good opportunity to do something different."

"[Lunchtime club] is good exercise especially when it is raining and we can't go outside."

"I was nervous before because I'd never been on a boat before [bell boating]."

"After bell boating I have decided to do the bell boating regatta."

"Bell boating was great fun, we used teamwork."
