Reception Trip to Hatton Adventure World 15th June

Reception children had a fantastic day yesterday at Hatton Adventure World. Activities included tractor rides through the farm, driving mini diggers and tractors. All the different schools were able to pick their own sheep in a sheep race and our school were victorious. Children were also able to pet guinea pigs, feed pigs, cows goats and sheep. To finish the day they were able to handle reptiles, who were very friendly indeed! Thank you to all the staff and parents and the children who represented our school so admirably.

African Children's Choir.

Our school choir took part in a performance with the African Children's Choir on Wednesday 7th June at Stratford Arts House. We can now confirm £310 was donated from the Be Bold non uniform day - thank you for your generosity.

From the children:

On Wednesday 7th June we went to Stratford Arts House to sing with the incredible, energetic African Children's Choir.

As we were eating our food some of the children and helpers came to talk to us. We spoke to Uncle David (all the adults were either Uncle or Auntie). He told us about all his amazing adventures travelling with the choir.

Then we went to start practicing in the big hall. Our school were lucky and were chosen to go on stage. We were so lucky to be able to take part in the African Children's Choir. They are so energetic and never seemed to get tired. It was so emotional (in a happy way.)

A reminder- group 1 need to bring their bikes and helmets on Monday 19th June, group 2 on Wednesday 21st June. If the weather is wet, we would advise that children bring a change of clothes and wear a waterproof coat.

Moving Up Day

Tuesday 27th June is Moving up Day when the children spend the day with their new class teacher. A letter went home last week informing you of your child's class teacher and teaching assistant for the next academic year. This day is also our main induction morning for our new Reception children who will be joining us in September. Year 6 will have their Induction Day at their new Secondary Schools.

Dinner Money - INCREASE

The cost of school lunches will be increasing from September to £2.20. This will be reviewed again in June 2018.

Free School Meals

Children moving from Year 2 to Year 3 in September will no longer receive the Universal Infant School Meals. Your child may however, be entitled to receive free school meals. It is very quick and easy to check if your child is entitled to this - please follow the link below

JUSTICE

This term we will be focussing in school on the value JUSTICE. We will be learning that:

Justice means more than making things 'fair'. In order for people to live together well in a just community, it is important to have rules or laws that everybody sticks to.

We hope your family has received the Home School Justice homework.

When returned to school some of these will be displayed on the Values board in the school entrance and in the reflective Books in classrooms. We are all looking forward to seeing all your ideas and creations about Justice.
