

## PE and Sport Premium expenditure: St Nicholas C of E Primary Report to Parents: 2017/18 (September '17 to July '18)

---

### **Our Vision for PE and Sport**

At St Nicholas C of E Primary we know that P.E. and Sport plays an important role in the development of our children. P.E. and Sport lead to improved fitness, health and well-being, concentration, attitude and academic achievement.

Through P.E and Sport, children can also develop St. Nicholas's sport's values of: determination, teamwork, respect, self- belief, honesty and passion.

We aim to encourage a lifetime love of sport and keeping fit and encourage children to be the best that they can be.

### **How do we encourage a love of P.E and Sport at St Nicholas?**

We enter into many different sports competitions, galas and tournaments. We aim to enter into a wide range of sports to encourage different children and abilities to be active and keep fit. We take part in: multi skills, rowing, indoor and outdoor athletics competitions, rounders, cricket, netball, football, rugby, tri-golf tournaments and swimming galas.

We have close links with the local tennis, rugby and cricket clubs whose professional coaches come into school to develop these individual skills.

To encourage a love of sport for enjoyment and competition, we strive to provide opportunities throughout the year for children to compete with each other and push themselves with events such as; running the Sport's Relief mile, cricket workshops, sports day and sports week where we concentrate on inter-house competitions.

We also organise a wealth of after school clubs such as; netball, football, basketball, cricket, rounders, dance, gymnastics, athletics, swimming, girls football, tennis and rugby.

### **What is the Sports Premium?**

The Government is providing funding for 2017/18 and beyond to improve provision of physical education (P.E.) and sport in primary schools. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sports, and will be allocated to primary school head teachers to spend on improving the quality of sport and P.E. for all their children. The sports funding can only be spent on sport and P.E. provision in schools. Funding will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census.

### **How is the Sports Premium used at St Nicholas C of E Primary School?**

The Sports Premium will be spent in such a way that it has a direct and sustained improvement on sports provision in the school, not only for the current pupils of the school but also for future pupils. Listed in the grid below are the projects that are being funded by the Sports Premium for this academic year.

<b>Amount of Sport Premium Received: £19 470.86</b>		
<b>Below is a breakdown of how this money is being spent:</b>		
<b>Item/project</b>	<b>Objective</b>	<b>Intended Outcome</b>
Anomaly Screens	To give the children more opportunities to participate in physical activities during break times.	Through having a variety of sporting activities to choose from, they become healthier and fitter and more active at break times.
Balance bikes	To develop the children's balance, control and co-ordination. To develop core stability, special awareness and gross motor control. To give children the opportunity to learn to ride a bike in school.	After a six week block of Balanceability the children should show better control and co-ordination and so will be able to participate fully in physical activities.
Replace playground equipment	To give the children opportunities to participate in a variety of physical activities during break times.	With the new and exciting resources available, the children will want to take part and will become fitter and healthier.
Playground markings	To give the children more opportunities to participate in a wider variety of physical activities during break times.	The children will be given the chance to take part in team games such as football, basketball, target games and dancing, making them more active.
Schemes of work to enhance dance.	To further develop and sustain high quality dance teaching across the school..	Staff will teach dance using the new scheme of work. Teachers will teach a well-rounded PE curriculum at the appropriate level.
Real Gym Training	Staff training to further enhance the sports curriculum in order to further develop and sustain high quality PE teaching in the future.	Staff will teach PE through Real Gym Teachers will teach a well-rounded PE curriculum at the appropriate level.
Gardening/growing area	To give the children an opportunity to grow their own fruit and vegetables.	The children will gain a better understanding of how fruits and vegetables are grown and become more aware of living a healthy lifestyle.
Replace old sports equipment	Update the sports equipment so that teachers are fully and appropriately resourced when delivering the national curriculum and extra-curricular activities.	The PE curriculum is being delivered and teachers take full advantage of the resources available to them.
Bell Boating	To introduce the children of year 6 to a new sporting experience.	Children of Year 6 are exposed to a new sport allowing the school to have a team to represent us in the local regatta.
