Summer is coming

As the weather is getting warmer, don't forget to put sunscreen on your children's arms, legs and faces in the morning. Plain navy or black hats/caps can be worn at playtime and lunchtime. Can we also request that children bring their water bottles to make sure they keep hydrated whilst in school. We can always fill these up for them if necessary. Sunglasses should not be worn in school unless this is for a specific reason and has been discussed with the class teacher. This may be because of hay fever or eye conditions.

Reminder New Lunch Menus

New menus start next week - 14th May and have been sent home with your children. Details are also available on the school website.

Thank you to all those parents who have returned the medical forms for this residential trip. These must be received by school asap to allow the staff to plan for the week away. If we do not receive your child's form then they will be unable to attend.

Reminder—After School

Dance Club Years 4,5,6 -

Dance will not be held after school on 24th May.

Also due to the change in the date for the PGL meeting, the **Dance Club for Years 1,2,3** on 22nd May has been cancelled. There will be a session held on 17th July to make up for this, so the children will still have 10 weeks of the club.

All About Me

We are going to be introducing a relationships program to the children after half term. There will be a meeting for parents on 27th June at 9am, for approximately an hour, where we will be able to share details of this with you.

Birthdays in Half Term

Birthdays that fall between 26th May to 8th June will be celebrated on our return to school in Celebration Assembly on Friday 8th June.

Car Park

Please can parents be aware that the car park is for staff only and needs to be accessible to emergency vehicles at all times. There are an increasing number of parents using the car park to drop off, pick up and to turn around in. We have witnessed some near misses, where the safety of our children is being put at risk. It has also been reported that some parents are bringing dogs onto the school site. Some of our children are frightened of dogs and may we remind all visitors to school that this is prohibited for health and safety reasons. We respectfully ask for your support in this. Thank you.

WONDERFUL OPPORTUNITY AND CHARITY EVENT

Mr Bower Smith, a year 6 parent has had a conversation with a few of the year six students about the possibility of completing a charity event, They would like to complete an event to raise money for the hospital unit in Bath that has been supporting one of our other year 6 students. After a bit of a brain storming session, it was decided that a sponsored walk/trek across the Malvern Hills, with the addition of a military theme was a fun way to approach this event. He would like to use the walk to teach a few very basic lessons in map reading, first aid and the importance in working as a team. During an interval there will be an opportunity to cook a military ration pack meal (all supplied by Mr Bower Smith).

The proposed dates for the event would be 9th/10th or 16th/17th June 2018.

Mr Bower Smith would welcome participation from other parents although not essential. Working with him would be a small team of trusted colleagues who would be used to drive a support vehicle that would be used if any of the children wanted to stop at any point during the walk.

He has asked for St Nicholas to promote the activity and once we know how many children/ parents are interested, sponsor forms will be given out in good time for the students to raise as much as they could.

If this is an activity you think you would be interested in, please let the staff in the office know.

This is an amazing idea, which would not only be a great experience, but also raise money for an important cause.
