

PE and Sport Premium expenditure: St Nicholas C of E Primary Report to Parents: 2019/20 (September '19 to July '20)

Our Vision for PE and Sport

At St Nicholas C of E Primary we know that P.E. and Sport plays an important role in the development of our children. P.E. and Sport lead to improved fitness, health and well-being, concentration, attitude and academic achievement.

Through P.E and Sport, children can also develop St. Nicholas's sport's values of: determination, teamwork, respect, self- belief, honesty and passion

We aim to encourage a lifetime love of sport and keeping fit and encourage children to be the best that they can be.

How do we encourage a love of P.E and Sport at St Nicholas?

We enter into many different sports competitions and tournaments. We aim to enter into a wide range of sports to encourage different children and abilities to be active and keep fit. We take part in: multi skills, boccia, curling, archery, rowing, bell boating regatta, indoor and outdoor athletics competitions including quad kids, rounders, cricket, netball, football and rugby tournaments.

We have close links with the local football, bell boating, tennis, rugby, cricket and dance clubs whose professional coaches come into school to develop these individual skills.

To encourage a love of sport for enjoyment and competition, we strive to provide opportunities throughout the year for children to compete with each other and push themselves with events such as; running Marathon Kids, cricket workshops, sports day and sports week where we concentrate on inter-house competitions.

We also organise a wealth of after school clubs such as; netball, football, basketball, cricket, rounders, dance, gymnastics, athletics, swimming, girls football, tennis and rugby.

What is the Sports Premium?

The Government is providing funding of £150 million per annum for 2019/20 and has committed to continue this until 2021 to improve provision of physical education (P.E.) and sport in primary schools. This funding is being jointly provided by the Department for Education, Health and Culture, Media and Sports, and will be allocated to primary school head teachers to spend on improving the quality of sport and P.E. for all their children. The sports funding can only be spent on sport and P.E. provision in schools. Funding will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census.

How is the Sports Premium used at St Nicholas C of E Primary School?

The Sports Premium will be spent in such a way that it has a direct and sustained improvement on sports provision in the school, not only for the current pupils of the school but also for future pupils. Listed in the grid below are the projects that are being funded by the Sports Premium for this academic year.

Record of the PE and Sport Funding spending by item/project 2019/20

Amount of Sport Premium Received: £19,470.00

Below is a breakdown of how this money is being spent:

Item/project	Cost	Objective	Intended Outcome

What the children say:

In PPA sport sessions we love tennis, football, circuits and netball.

When we had sports enrichment days we enjoyed Tai Kwando, yoga and kan jam.

Swimming is a calm time and it helps me to relax. I love doing backstroke.

The after school clubs that we enjoy are: Gymnastics and netball.

During the year, we have taken part in football matches, athletics competitions and archery competitions.

I really enjoy Marathon kids, I love running with my friends and teachers.

Sport Competition Success:

1st and 3rd– Mixed Rugby Competition

1st – Boys and Girls Rowing Competition at St Nicholas C of E Primary School (regional finals cancelled)
